## 3Tier Client Server Systems, Inc.

3Tier Client Server Systems, Inc. (3T/CSS, Inc., 3T) has been serving the NYC Tri-State, AL, CA, TN, and VT communities since 1993. We are a systems integration and professional services firm committed to the development of business-critical systems and applications in the Internet and client/server environments.

Our objective is to provide our clients the ability to maintain a competitive advantage by optimally interconnecting (via local and wide area networks) to mission critical data across their geography. We satisfy that objective by developing and delivering customized systems grounded in open architecture and industry standards.

Whether you need [Consulting Services / Quality Assurance /Web Site Design and Development, or Application Development, we have what you need at prices you can afford. At 3T, our goal is to provide you with courteous, expedient, professional service of the highest caliber.

Browse our Web site for more information about 3T. If you have any questions or would like to speak with a 3T representative regarding our products and services, please e-mail us at [info@3tcss.com](mailto:info@3tcss.com) or us at 201-362-4200. At 3T, the customer always comes first.
